To

CIVIL DEFENCE CIRCULAR NO.637/44.

Subject:- Closing of the Government of India Civil Defence Training College at Hyderabad (Deccan).

Sir,

The future demands for vacancies in Courses of all types at the above College have been received from all Provincial Governments, Departments and Authorities and the allotments which have been made for Course No.5(Officers' and Anti-gas) dispose of the outstanding demands for this type of Course. This being so, no further Officers' Courses or Anti-gas Courses will be held after the completion of Course No.5.

2. Allotments have been made for Course No.6 (Specialist Instructors' Course including Class I and II Instructors, and U.X.B.Course). The allotments for this course disppose of the outstanding demands for the Casualty and Rescue Sections, but there are still sufficient applications outstanding for the Wardens Section (including Class I and II Instructors) and the U.X.B. portion of the Course to justify the holding of two more Courses in these subjects only, and allotments will be made to these Courses in accordance with the existing demand.

3. This will mean that the work of the Training College will come to an end on or about the 17th of June 1944, and it is proposed to close down the College on that date. Thereafter no further facilities will be made available by the Government of India for the training of Officers and Instructors. In view of the large numbers of Officers and

P.t.o

Instructors who have passed through the Government of India Training Schools, it is considered that Provincial Governments and other authorities concerned should be able to make their own arrangements for any future training for Officers and Instructors that may be required, either in Provincial Schools or by attaching trainees for instruction to Officers or Instructors who have already received training at the Government of India Schools and are putting that training into practice on the ground.
